**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of LMI for many years now. It provides local competition to the big boys and in my opinion provides superior service. I am looking forward to LMI's upcoming fiber service. I think it important that the giants have competition that is not simply other giants. In my case LMI has provided superior service (both telephone and internet), technical advice, and simple low cost billing. I want to continue to be able to use this local competitive internet and telephone provider.
